Dreams for Veterans Program – \$10,000

- Dreams for Veterans was officially launched in Washington, D.C. in 2015 with the help of Senator John McCain, the White House's Joining Forces program, former Congresswoman Lois Capps and other prominent elected officials.
- Dreams for Veterans honors our nation's heroes' service by fulfilling a final Dream and providing comfort and closure at the end of life.
- Dream recipients are veterans who served from World War II to the Iraq and Afghanistan Wars, and every war or conflict in between, those who served during peacetime or who currently serve on active duty, the reserve and National Guard.
- Over the next five years, 2.5 million veterans will need end-of-life care.
- So far this year, we have given life to more than 150 veterans Dreams.
- Help honor those who bravely and selflessly served our country by supporting this program.

Dream Toy Program – \$10,000

- Nearly 30 percent of Dreamers have young children living at home.
- The Dream Toy Program reaches hundreds of these children each year who are losing a loved one.
- These children are going through the most psychologically, physically and emotionally stressful moments of their young lives.
- Volunteers fill boxes with hand-selected toys donated by Hasbro, Inc. and Ty Inc., that are delivered to Dreamers across the country to give to the children in their lives.
- The more sponsors we secure, the stronger our program will become and the more children we will serve.

Flower Empower Program – \$10,000

- Flower Empower is a Santa Barbara-based, volunteer-driven program that delivers floral bouquets, fresh-baked cookies, fine chocolates and cards hand made by school children to people in hospitals, hospices, cancer centers and their homes.
- Each week approximately 150 bouquets of fresh, donated flowers are assembled and delivered throughout our community with nearly 8,000 bouquets delivered this year.
- The more sponsors we receive, the more resources we'll have to continue this special program in 2018 and beyond.
