Our Programs

Dream Program

Dream Foundation's Dreams can be as simple as paying a heating bill to relieve financial stress, creating happy memories, meeting a personal hero—any request that provides support and compassion. We are passionate about giving life to final Dreams and helping Dreamers and their families make the most of the days they have left.

Dreams for Veterans

Officially launched in Washington, D.C., in 2015, Dreams for Veterans program tailors the Dream experience to veterans and their families. Dream recipients are U.S. military veterans who served from World War II to the Iraq and Afghanistan Wars, those who served during peacetime or who currently serve on active duty, and members of the Reserve and National Guard. Dreams for Veterans honors our veterans' service by fulfilling their final Dream, providing them, their families and caregivers inspiration, comfort and closure at the end of life.

Dream Toy Program

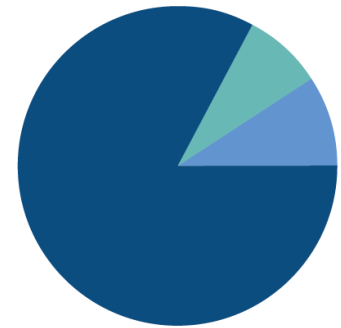

Dream Foundation Dreams not only touch the lives of Dreamers, but also those of their families. Nearly 30 percent of Dreamers have young children living at home. Dream Foundation's Dream Toy Program reaches hundreds of children each year who are losing a loved one. Our dedicated volunteers fill boxes with hand-selected toys that are delivered to Dreamers across the country to give to the children in their lives. With each unexpected gift, we provide an opportunity to create happy memories and smiles. Thanks to the generosity of Hasbro and Ty, Inc., Dream Foundation delivers thousands of toys each year.

Flower Empower

Flower Empower is a Santa Barbara-based, volunteer-driven program that delivers floral bouquets, fresh-baked cookies, fine chocolates and cards hand made by school children to people in hospitals, hospices, cancer centers and their homes. Volunteers prepare dozens of arrangements using donated flowers. Flower delivery referrals come from cancer centers, nurses, doctors, hospices, elder support organizations and others.

How You Can Help

It's not the size of the gift that matters, but how it contributes to a Dream.
