

OUR MISSION

Dream Foundation, the only national dream-granting organization for terminally-ill adults, serves individuals and their families by providing end-of-life Dreams that offer inspiration, comfort and closure.

DREAM PROGRAM

With the support of a nationwide network of volunteers, hospices, health care organizations and committed donors, over the past twenty-five years Dream Foundation has given life to more than 30,000 final Dreams.

Our Dreams touch lives, meet essential needs, reunite families, and play a critical role in the special end-of-life care that focuses on improving quality of life for Dream recipients and their families.

Dream recipients are at least 18 years old, have a life expectancy of 9 months or less and lack the resources to achieve their Dream on their own.

Dream Foundation receives no state or federal funding—we rely solely on private donations. To support our mission please visit www.dreamfoundation.org/donate.

DREAMS FOR VETERANS

The Dreams for Veterans program tailors the Dream experience to veterans and their families. Dream recipients are U.S. military veterans who served from World War II to the Iraq and Afghanistan Wars, those who served during peacetime or who currently serve on active duty, the Reserve and National Guard. Dreams for Veterans honors our veterans' service by fulfilling their final Dream and providing them, their families and caregivers inspiration, comfort and closure at the end of life.

REQUESTING A DREAM

Dream requests are as varied as those who make them. Whether it's a vacation or a new TV, a handshake from a personal hero or a hug from an old friend—each Dream recipient knows what will bring the greatest joy and relief to their situation, thereby providing inspiration, comfort and closure to them and their families.

Qualifications

Dream recipients are U.S. military veterans living in the United States. Aged 18 and over, they have a life-limiting illness, a life-expectancy of 9 months or less, and insufficient means to fulfill the Dream themselves.

Proof of discharge or current U.S. military service is required, but applicants who cannot—or prefer not to—provide such documents are welcome to apply for a Dream through our general Dream Program.

Dream Application

To receive an application, please visit our website at www.dreamfoundation.org or call us at 888-4DREAMS. Please contact application@dreamfoundation.org for more information.
