Dream Foundation

Dream Foundation (dreamfoundation.org) held its fifth annual Endless Summer Dream fundraiser in early October at the Nesbitt Estate in Summerland. The private venue provided a breathtaking backdrop for fabulous fashions from Oscar de la Renta. Guests enjoyed panoramic ocean views, gourmet food, and fine wine while taking in live music and dance performances by the Airedanse Collective, Aquallies and Aquawillies synchronized swimmers, teen vocalist Marissa Reyes, Santa Barbara Dance Theater, DJ Gavin Roy, and vocalist Natalie Noone. Founded in 1994, Dream Foundation is the only national organization fulfilling the dreams of terminally ill adults and their families. To date, it has carried out more than 30,000 of these special wishes.

Southeast Ventura County YMCA

The Southeast Ventura County YMCA (sevymca.org) held its third annual Reach for the Stars gala in late September at Four Seasons Hotel Westlake Village. David H. Murdock, CEO of Dole Food Company and long-standing philanthropist in the Conejo Valley, was given the Joel and Frances McCrear Memorial Award for his support of the Yarrow Family YMCA branch, which opened in early 2019 in Westlake Village.

The Southeast Ventura County YMCA's main goals are to build relationships, impact lives, and strengthen the community through youth development, healthy living, and social responsibility. Its signature programs include Safety Around Water, an educational course for youngsters, and Find My Genius, a free academic summer tutorial for low- and middle-income students who are not reading at their grade level.
