

OUR MISSION

Dream Foundation, the only national dream-granting organization for terminally-ill adults, serves individuals and their families by providing end-of-life Dreams that offer inspiration, comfort and closure.

DREAM PROGRAM

With the support of a nationwide network of volunteers, hospices, health care organizations and committed donors, over the past twenty-five years, Dream Foundation has given life to more than 30,000 final Dreams.

Our Dreams touch lives, meet essential needs, reunite families and play a critical role in the special end-of-life care that focuses on improving quality of life for Dream recipients and their families.

Dream recipients are at least 18-years-old, have a life expectancy of one year or less and lack the resources to achieve their Dream on their own.

Dream Foundation receives no state or federal funding—we rely solely on private donations. To support our mission please visit www.dreamfoundation.org/donate.

DREAMS FOR VETERANS

The Dreams for Veterans program tailors the Dream experience to veterans and their families. Dream recipients are U.S. military veterans who served from World War II to the Iraq and Afghanistan Wars, those who served during peacetime or who currently serve on active duty, the Reserve and National Guard. Dreams for Veterans honors our veterans' service by fulfilling their final Dream and providing them, their families and caregivers inspiration, comfort and closure at the end of life.

REQUESTING A DREAM

Dreams can range from basic needs items, such as a new computer or TV, to a vacation, a bedside reunion or meeting a personal hero and everything in between—requests that provide joy and relief. Through this non-medical form of end-of-life compassionate care, Dreams provide inspiration, comfort and closure to Dream recipients and their families.

Qualifications

Dream recipients live in the United States, including Alaska and Hawaii, are 18 or older, are diagnosed with a life-limiting illness with a life expectancy of one year or less and lack the resources to fulfill the Dream themselves.

Dream Application

To receive an application, please visit our website at www.dreamfoundation.org or call us at **888-4DREAMS**. Please contact application@dreamfoundation.org for more information. Please note: an abbreviated application is available to those currently receiving hospice care.
