Dream Foundation's Flower Empower program is a Santa Barbara-based, volunteer-driven program that delivers floral bouquets, fresh-baked cookies, fine chocolates and cards that are hand made by school children and other groups and individuals to people in hospices, cancer centers and their homes. Volunteers prepare dozens of arrangements using donated flowers. Flower delivery referrals come from cancer centers, nurses, social workers, hospices, elder support organizations and the community at large.

Since its inception in 1994, the program has served thousands of community members by providing more than 120,000 bouquets, cookies (homemade by longtime Flower Empower Supporter, Robin Himovitz), artisanal chocolates (provided by Chocolats du CaliBressan) and cards.

The cover bouquet, designed by Margaret Lloyd, is made from a 2021 Dream Spring Flower Box. The 2022 Dream Spring Flower Box is available for purchase at dreamfoundation.org/flower.
