

Make Your Mitzvah Project a Dream Come True

Your project is a meaningful way to honor your values, help others and make a difference. Dream Foundation invites you to help fulfill final Dreams for terminally-ill adults and their families across the nation. Over the past 30 years, Dream Foundation has helped make more than 35,000 Dreams possible, each one made possible by someone like you.

Dreams provide joy, comfort, and closure

Xander dreamed of time away from the stress of dealing with cancer and the chance to escape the cold New Jersey winter. Our incredible community helped provide him and his family with a Dream trip to Universal Orlando in Florida.

Faith loved all things Disney. She dreamed of going to Disney World with her family, but she needed help, and she was running out of time. Thankfully, our community of supporters helped her get there.

Cherry dreamed of a girl's weekend with her best friends. Our caring community of supporters helped with accommodations, a spa day and a photoshoot to give them the full VIP treatment.
